Mohammed Atef Abd El-Kader

JUNIOR FRONTEND DEVELOPER

+201278303593 | **Email** | **Portfolio** | **GitHub** | **LinkedIn**

Objective

As a Junior Frontend Developer, I'm eager to apply my skills in HTML, CSS, JavaScript, and responsive design. I'm passionate about enhancing user experiences and look forward to contributing to innovative projects while growing in a collaborative environment.

Projects

Yili Chinese Restaurant.   **GitHub** - **Live Demo**
- Yili Chinese Restaurant is a Cairo-based eatery offering traditional Chinese cuisine. The restaurant is known for its authentic flavors and inviting atmosphere.

Grandma's Bakery.   **GitHub** - **Live Demo**
- Grandma's Bakery in Pokhara offers a variety of traditional baked goods, including cakes and pastries. The website highlights their menu, special promotions, and customer reviews, emphasizing quality and comfort.

Tic Tac Masterpiece Game.   **GitHub**
- Designed and developed an interactive Tic Tac Toe game using C++, OOP principles, and Qt framework for a seamless GUI experience.
